CUBE, dial peers, SRST

CUBE is a B2BUA with two dialogs.
Confirm inbound match order for your IOS release.
Longest match, then preference, on outbound peers.
SRST is a subset dial plan, not a clone of CUCM.
A local gateway toward Webex Calling is a different peer.
Source: Cisco CUBE and SRST documentation. Confirm call caps.

Independent free learning-only student project. Trademarks belong to their owners. Not affiliated or endorsed. Contact: https://cyphermonkeylabs.com/#contact. Nothing is sold.
